

CARGO 10 SINGLE SHIPMENT

One TMK is a digital exchange that gives you, as brokers, fast access to our specialist insurance products direct from your desk. The fully automated process enables you to quote and bind business online in real time, 24 hours a day, 7 days a week.

Cargo 10 Single Shipment is an easy-to-access cargo insurance policy available through the One TMK digital platform. You can get a real-time quote, and bind the policy instantly. The platform uses bespoke wordings and system-generated documentation to give you and your clients fast access to specialist cargo cover.

We can cover the following risks without referral:

- Cargo and assured's own goods in transit risks
- Subject matter may range from general manufactured goods, commercial/industrial/household electronics, clothing, chemicals, mechanical machinery, lumber and sawn timber, ambient food, drinks and alcohol
- World to world voyages, including cross voyages which may not even touch the UK during the shipment process
- UK to UK inland transit risks
- Total sum insured of up to GBP 3.5M
- Containerised, liquid bulk, dry bulk, break bulk or roll-on/roll-off packing methods
- Road, rail, sea or air
- Syndicate or company placement available, if agency held with Tokio Marine Kiln Syndicates and Tokio Marine Kiln Insurance.
